Getting Started on OverDrive

Signing in to Your Account:

1. Sign up for a library card.

2. Go to our overdrive website at: http://nebraska.lib.overdrive.com

3. Click on *Sign In.*

4. Select your library from the list of patricipating libraries.

5. Enter your library patron number found on the back of your library card. (If you don't have your card, your patron number is available at the circulation desk.)

You are now able to browse and checkout titles from our digital collection!

Downloading Audiobooks

1. Download the Media Console.

2. After making your selection and checking out, click the *Download* button.

3. The Media Console will open and prompt you to choose a location to save the file. Choose your location and click *OK*.

4. A screen will come up asking which parts you would like to download. Check the parts you want to download and click *OK*. The book will begin to download.

5. To transfer the audiobook to a portable device, connect your player via USB and click on the *transfer icon* at the top of the window. Follow the prompts to transfer the file to your device.*

Downloading Ebooks

1. Download Adobe Digital Editions.

2. After making your selection and checking out, click on *Download* and then *Open*. Adobe Digital Editions should open and begin the download.

3. To transfer the book to a reader, connect your reader to the computer via USB. The reader's icon should pop up in Digital Editions.

4. Drag the book you would like to add from the Borrowed shelf to the reader's icon. You should now be able to disconnect and access the book on your reader.*

* Please note that we have not been able to test these instructions with all compatible devices. If you encounter problems, contact library staff and we will be happy to help.
