

Nebraska Public Library Commission

Lincoln, 7 Nov. 1904.

Librarians of Nebraska libraries:--

I enclose a copy of Buying list no. 11 for the use of your book committee. Will you kindly call the attention of your board to this useful pamphlet?

Some days ago, I sent blanks for statistics to all libraries in the state, so far as I know of their existence. Many of you have not replied. I should be greatly obliged if all who have not responded would send in these reports at the earliest possible moment. Our biennial report should be ready for the Governor Nov. 30, and the courtesy of a prompt response would be greatly appreciated.

I have furnished the Librarian of Congress with a directory of Nebraska libraries, and requested that a copy of the new edition of the A.L.A. catalog be sent to each library. When you receive this publication, I suggest that you study it carefully, and call the attention of your Board to its merits.

Edna D. Bullock, Sec'y.
