LINCOLN

4 Ja. 1905.

To librarians and trustees of Nebraska libraries:-

We send you herewith a copy of the second biennial report of the Nebraska Public Library Commission. It is a brief record of what we have attempted during the past two years. If what we have done, and what may, in the future, be accomplished in the way of library extension, commends itself to you as a profitable line along which educational development in Nebraska should move, we request that you will so inform your Representatives and Senator in the state Legislature. A word of appreciation from you direct to such members of the Legislature as you are in a position to address will greatly assist this Commission.

Respectfully,

Edna D. Bullock, Sec'y.
