

One Book for Nebraska Kids 2014

Lawn Boy - Activities

1. Identify three stocks that interest you. Write a minimum one page summary describing the stocks you choose. Include information about the company, current exchange rates, which market you found it on, why you like it.
2. A lawn mower is a simple machine. Select a simple machine and explain how it works.
3. Have students write a paragraph or short essay on how they think the Lawn Boy's life will unfold after the book ends. What will become of him, Arnold, and Joey Powdermilk?
4. Design your own lawn mower.
5. Create flyers and/or business cards advertising your business.
6. Develop a business plan for a summer mowing business. How much does a lawnmower cost, gas, etc.

If readers in your library come up with any other One Book ideas, please pass them along to Sally Snyder at sally.snyder@nebraska.gov or call her at 402-471-4003.
