

SUBSCRIBER AGREEMENT

Lyrasis will include _____

("Licensee") as a "Member" library in its "Consortium eBook Agreement" with netLibrary, a division of OCLC Online Computer Library Center, Inc. ("netLibrary") in order to allow Licensee access to Lyrasis' Shared Collection(s) via Consortium's nL Website. If Licensee so desires, Lyrasis will also provide ordering and billing for individual libraries for Unique Collection(s) and individual ebooks via Member's nL Website. 3. Licensee agrees to pay Lyrasis fees as invoiced. All changes shall be due thirty (30) days from the date of receipt of the invoice reflecting such charges. Lyrasis will advise netLibrary of Licensee's failure to abide by their terms, including payment related matters. netLibrary will decide whether to continue service in these instances. A Licensee participating through Lyrasis in the Unique Collection(s) is not eligible for credits related to a possible overlap in titles with those in the Lyrasis Shared Collection(s).
4. Licensee will fill out the necessary order information.
5. The Agreement shall be governed by and construed in accordance with the State of _____.
