NEBRASKA LIBRARY COMMISSION (BEN: 78791)

The following questions are intended to gather feedback from schools and libraries on the sufficiency of their Internet access, wide area network connections and the internal connections (e.g. Wi-Fi) in meeting their needs. These questions are designed to provide comprehensive insight into the current state of connectivity for schools and libraries, including services and equipment not funded by the E-rate program. The questions are informational only and will not affect the funding commitments in any way.
