E-rate Productivity Center – Update your Organization Information.

On your Landing Page, click Manage Organizations.

Check in the box in front of your library's name, then click the Manage Organization button.

On the next screen:

1. Update your library's Urban/Rural status.
2. Select your library type and choose Main Branch, then enter the Square Footage of the library building.
3. If your Associated School District is not listed, then search for it – you only use one of the search options at a time - the Zip Code search is the easiest.
4. Click the green Submit button when you are done.
