DEFINITION AND SCOPE

Added entries that provide additional access to a bibliographic record from names and/or titles having various relationships to a work. Added entries are made for persons, corporate bodies, and meetings having some form of responsibility for the creation of the work, including intellectual and publishing responsibilities. Also included are added entries for other titles under authority control related to the work for which the record is made, such as other editions, etc. Field 740 contains a title not under authority control for a part of the item being cataloged, or a related item. Added entries are assigned to records for persons, corporate bodies, meetings, and titles which are not given access through subject or series entries. Fields 752-754 provide for access to an item through other aspects of its content or description.

Descriptions of the first indicator and all subfield codes, as well as input conventions for the 700, 710, 711, and 730 fields are given in the following *General Information* sections: *X00, X10, X11,* and *X30*. The second indicator is described in the specific section for each field. All content designators for fields 720, 740-754 are described in the specific section for each field.

Added entry fields are not used as often in bibliographic records for materials under **archival control** as they are for materials under other types of control. In archival control, greater use is made of the 6XX fields for access.

IMMORTAL IN DEATH

Writing as J.D. Robb, *New York Times* best-selling author Nora Roberts exhilarates readers by masterfully weaving romance and suspense into irresistible stories. *Immortal in Death*, from the futuristic series featuring police lieutenant Eve Dallas, is an engrossing tale of sex, drugs and unchecked ambition.

A top fashion model is murdered, and Eve's best friend, the other woman in a fatal love triangle, is the primary suspect. Searching for the truth, Eve infiltrates New York City's drug-infested underworld. What she finds is a culture obsessed with youth and fame, where powerful drugs are available to fulfill any desire—if the users are willing to risk their lives.

Always inventive, Robb combines all the elements of a top-notch thriller with her insightful vision of the near future. Narrator Cristine McMurdo-Wallis provides a confident voice for the strong-willed, street-wise Eve.

"Wonderful … If ever there was a book for all tastes, this is the one."—**Affaire de Coeur**

"Richly imagined suspense."—**Publishers Weekly**

Narrator Cristine McMurdo-Wallis

After an early professional debut on the stage, Cristine played in summer stock theater during college. Graduating with a BA in theater, she taught theater, received grants to run theaters, and toured with many productions. Cristine has appeared in *Dancing at Lughnasa*, *Last Night of Ballyhoo*, *Salome* (with Al Pacino), and *Angels in America*. Her film credits include *The Hand That Rocks the Cradle* and *American Heart*, with Jeff Bridges. On television, she has appeared in *The Guiding Light*.

IMMORTAL IN DEATH

Writing as J.D. Robb, *New York Times* best-selling author Nora Roberts exhilarates readers by masterfully weaving romance and suspense into irresistible stories. *Immortal in Death*, from the futuristic series featuring police lieutenant Eve Dallas, is an engrossing tale of sex, drugs and unchecked ambition.

A top fashion model is murdered, and Eve's best friend, the other woman in a fatal love triangle, is the primary suspect. Searching for the truth, Eve infiltrates New York City's drug-infested underworld. What she finds is a culture obsessed with youth and fame, where powerful drugs are available to fulfill any desire—if the users are willing to risk their lives.

Always inventive, Robb combines all the elements of a top-notch thriller with her insightful vision of the near future. Narrator Cristine McMurdo-Wallis provides a confident voice for the strong-willed, street-wise Eve.

"Wonderful … If ever there was a book for all tastes, this is the one."—**Affaire de Coeur**

"Richly imagined suspense."—**Publishers Weekly**

Narrator Cristine McMurdo-Wallis

After an early professional debut on the stage, Cristine played in summer stock theater during college. Graduating with a BA in theater, she taught theater, received grants to run theaters, and toured with many productions. Cristine has appeared in *Dancing at Lughnasa*, *Last Night of Ballyhoo*, *Salome* (with Al Pacino), and *Angels in America*. Her film credits include *The Hand That Rocks the Cradle* and *American Heart*, with Jeff Bridges. On television, she has appeared in *The Guiding Light*.
