Police Lt. Eve Dallas's fate is wired to the last second as she comes across a serial bomber stalking the streets of New York.

Eve Dallas returns to face her most ingenious foe—a "Secret Admirer" who taunts her with letters...and kills without mercy. An unknown bomber is stalking New York City. He is sending Eve Dallas taunting letters promising to wreak mass terror and destruction among the "corrupt masses."

And when his cruel web of deceit and destruction threatens those she cares for most, Eve fights back. It's her city...it's her job...and it's hitting too close to home. Now, in a race against a ticking clock, Eve must make the pieces fit—before the city falls.

Read by Susan Ericksen

Susan Ericksen lives on the East Coast, where she performs on stage and television. She also appears regularly with the Hope College Repertory Company, of which her husband, David Colacci (another fine Brilliance narrator) is artistic director.

Hummingbird Nest
A J O U R N A L O F P O E M S

Kristine O’Connell George
ILLUSTRATED BY Barry Moser

Many thanks to Ed Lewins, Curator of Birds at the San Diego Zoo, and to Shawnee Riplog Peterson, Curator of Mammalogy and Ornithology at the Arizona-Sonora Desert Museum, for reading this manuscript and generously sharing their expertise.

Thanks also to Kimball Garrett, Ornithology Collections Manager at the Natural History Museum of Los Angeles County; Sheri L. Williamson of the Southeastern Arizona Bird Observatory, and the hummingbird team at Project Wildlife for patiently answering my questions about the growth and development of hummingbirds.

And, as always, my warmest thanks to Lynne T. Whaley for humming along with me.

—K. O. G.

The Kingfisher Illustrated Horse & Pony Encyclopedia is a fantastic gift for children who dream of having a horse or pony of their own. There is a clear introduction to horses followed by chapters explaining horse and pony care, riding lessons, and breeds. From “hotbloods” such as the Arabian and Thoroughbred, on through “coldbloods” such as the Shire and Dutch Draught, and gallop to the finish line with “warmbloods” such as the Camargue, Morgan, and Palomino. And because every horse lover wants to ride, The Kingfisher Illustrated Horse & Pony Encyclopedia takes the novice rider from first mount to cantering and galloping.

- Superb pictures taken by world-famous horse photographer Bob Langrish
- Excellent reference guide for use by the whole family
- Includes a full glossary and index
24 pages and colored illustrations take up at least half the space.

With striking intimacy and candor, Eric Clapton tells the story of his eventful and inspiring life. More than a rock star, Eric Clapton is an icon, a living embodiment of the history of rock music. Well known for his reserve in a profession marked by self-promotion, flamboyance, and spin, he now chronicles, for the first time, his remarkable personal and professional journeys.

Born illegitimate in 1945 and raised by his grandparents, Eric never knew his father and, until the age of nine, believed his actual mother to be his sister. In his early teens his solace was the guitar. With the formation of Cream, the world's first supergroup, he became a worldwide superstar. During the decades that followed, he would go on to play as a guest with Jimi Hendrix and Bob Dylan, as well as the Beatles, the Rolling Stones, and longtime friend George Harrison. He would overcome despair, self-imposed seclusion, drug addiction, and alcoholism. He would become a father.

But just as his life was coming together, he was struck by a terrible blow. His beloved four-year-old son, Conor, died in a freak accident. At an earlier time Eric might have coped with this tragedy by fleeing into a world of addiction. But now a much stronger man, he took refuge in music. Clapton is the powerful story of a survivor, a man who has achieved the pinnacle of success despite extraordinary demons. It is one of the most compelling memoirs of our time.

ERIC CLAPTON is married to Melia McEnery and is the father of four daughters. He lives outside London.

BILL NIGGY, a Golden Globe® and BAFTA award winning British actor, has starred in many films including Pirates of the Caribbean, Dead Man's Chest, Love Actually, Notes on a Scandal, The Constant Gardener, and Shaun of the Dead. A regular on stage at The National Theatre, Nighy also has a theater award for Best Actor in Skylight. His award winning television roles include the BBC's Gideon's Daughter and He Knew He Was Right.

A perfect accompaniment to the autobiography, COMPLETE CLAPTON is the first comprehensive collection of Eric Clapton's musical career. A multidiSC set, it includes hit releases from 1960s Cream through Eric Clapton's music of today. Go to ericclapton.com for more information, including his official fan club, EC Access.
