To librarians of our traveling libraries:-

We wish to have items concerning our traveling libraries for our bulletin. What has the traveling library accomplished in your community? Has it helped anybody who might otherwise have been without books? Is it an advantage to your school? Does it encourage the purchase of more and better books in the home, the school, and library? Do people on the farms use the books?

Will continued efforts on our part and yours result eventually in a strong sentiment in favor of a county library law that will give all residents of Nebraska library privileges?

The bulletin is for you, and you should give it your support. An immediate response would be appreciated. We wish to send copy for the bulletin to the printer by Jan. 21.

Sincerely,

Edna D. Bullock, Sec'y.
