To librarians of Nebraska libraries:-

We are sending you the latest number of the A.L.A. booklist, and part 1, of the new edition of the "Suggestive list of books for a small library." Please return them, unless you intend to use them, and give your book committee the use of them.

Check the Suggestive list, for the titles already in your libraries, and use it as a basis for filling out the incomplete subjects on your shelves. Your attention is called to the discussion of periodical collections on pages 11-15 of this list.

Please keep a list of items for our next bulletin.

Respectfully,

Edna D. Bullock, Sec'y.
