To librarians of Nebraska libraries:-

Please send at once news items for the May number of our Bulletin. As copy should be in the hands of the printer, even now, kindly help by being prompt. If any changes have been made in the membership of your Board since our February bulletin, please report them.

Have you books or periodicals that you would like to exchange with other libraries?

Have any new libraries been established in your vicinity lately?

What subjects would you like to have discussed in the bulletin?

Is your library going to ask for the full, two mill levy this spring?

Did you take any special notice of Bird and Arbor day in your library? Are you making special effort to render your library indispensable to the public schools?

Please send any suggestions that will help me make the bulletin more interesting and helpful. Thanking you in advance for prompt interest and the spirit of helpfulness,

Sincerely,

Edna D. Bullock, Sec'y.
