

Nebraska OverDrive Libraries

nebraska.lib.overdrive.com

Nebraska OverDrive Libraries, nebraska.lib.overdrive.com, is a web-based digital media platform that allows library patrons to download digital audiobooks and eBooks onto their computers, tablets, and smartphones. The titles are automatically returned to the collection when the checkout time expires, so you never have to worry about keeping an eye on your due date. The collection includes biographies, nonfiction, YA titles, westerns, and more-- there's truly something for everyone! Best of all, there's no charge involved. Using your library card, you can check out a digital book just like a book on your library's shelf. Features available on Nebraska OverDrive Libraries include:

-  Advanced search options that allow you to locate titles of a particular genre, language, or format. Lexile settings to find titles for young readers are also available.
-  Settings options that let you select your checkout period and determine which books you'll see while on the site. Not interested in children's books? Only interested in YA titles? It's easy to pick the content that the site displays.
-  "For Kids and Teens eReads," nebraska.lib.overdrive.com/youth, focuses on appropriate age-level titles in the collection.
-  Apps for most widely-used devices, including Android, Apple, Kindle, and Windows devices. You can also download titles to a computer or enjoy them inside your browser.

For more information or help getting started, please ask a staff member at your local library!
