J. I. WYER JR., PRESIDENT  
E. BENJ. ANDREWS,  
CHANCELLOR OF THE UNIVERSITY OF NEBRASKA  
W. K. FOWLER,  
STATE SUPT. OF PUBLIC INSTRUCTION  
LEE HERDMAN,  
STATE LIBRARIAN  
F. L. HALLER,  
OMAHA PUBLIC LIBRARY

EDNA D. BULLOCK, SECRETARY

LINCOLN

1 Ja 1903.

To the school men and women of Nebraska:-

Your attention is hereby directed to the accompanying report of this Commission. If the work done commends itself to you, it is your privilege, as a citizen and educator, to encourage the progress and extension of this new branch of our state's educational equipment.

Have you made use of this equipment? We are ready to do anything permissible under the law and our limited means to make Nebraska a better place to live in. Do you want a traveling library? Or a loan for special study? Or a list of books for schools? Are you starting a village or city library? If so, can we write and help you, or come and help you? Do you want any suggestions as to the operation of your school libraries? The state created this Commission for "library extension", or, in other words, to encourage the founding of libraries where none exist and the improvement of those already established. Keep us busy - the more so the better.

Sincerely,

Edna D. Fullock, Sec'y.
