We're Twittering about Information!

http://twitter.com/NLC_Reference

Twitter is a social networking tool used to give friends and followers up-to-the minute news about your activities. The Library Commission Information Services is using Twitter in an unusual way. We post reference questions that we receive, many of which are from people regarding Nebraska or federal government information. We are nearing our 1000th question posted. We usually only post the questions, but that doesn't stop inquiring minds from asking us what the answer is! Here are two recent questions AND answers:

Question: *Are there still NebGuides on diseases, etc. of plants? I do know that the Extension agents used to have them.*

Answer: *Current Nebguides are posted on the IANR web site and can be found by searching their catalog. E.g. try a search on raspberries and you get a Nebguide on growing them.*

<http://www.ianrpubs.unl.edu/epublic/pages/index.jsp> You can also browse the IANR catalog. From the browse part on the left click on the word 'more...' There is a heading for plant diseases that brings up a bunch of them. We also have quite a few of them in our collection for loan, and link to the online versions from our online catalog. Try a search in our catalog on raspberries and you get a link to the same publication. <http://www.nlc.state.ne.us/m3/>

Question: *There was an initiative a few years ago for Nebraska to sell Cuban Cigars. Can I have references to what happened to this initiative please? Who sponsored it and what is the name of the bill?*

Answer: *I searched the Omaha World Herald online and located an article from January 12th 2006 indicating that Senator Pam Brown introduced LB 1034 which stated ... "under Legislative Bill 1034, the state could accept Cuban tobacco or tobacco products -- such as those highly prized Cuban cigars -- in payment for agricultural or medical products sold to that island nation." I searched the site below for past legislation to find the text of the bill from the 99th Legislature:*

http://uniweb.legislature.ne.gov/OS/session.php?mode=adv_search which I located here:

<http://uniweb.legislature.ne.gov/FloorDocs/99/PDF/Intro/LB1034.pdf> I searched the 2006 Legislative Journal for the voting record and determined this bill was indefinitely postponed by the Agriculture Committee: <http://uniweb.legislature.ne.gov/FloorDocs/Current/PDF/Journal/2006/2006journal.pdf>
